DISCLAIMER

Information shared today is not to be construed as the Government's final representation of the requirements, and terms and conditions for the TIPSS-4 acquisition. This conference serves as a means for information gathering and sharing. The Government's official requirements, and terms and conditions will be released in the official RFP.

MARKET RESEARCH

- TIPSS, TIPSS-2, TIPSS-3
- TIPSS-4 Industry Day (February 13, 2008).
- ITS experts (MITS, IRS Business Units)
- Interviewed Acquisition Professionals from other Government Agencies (DHS, VA, NASA)
- Internet Sites
- Draft RFP
- Other Suggestions:
 - 2 Step Process.
 - Status Quo - 1 Contract
 - Decision

Key Changes from TIPSS-3

- 10 Year Contract
- Two solicitation approach:
 - TIPSS-4 ITS (Full & Open Competition)
 - TIPSS-4 SB (Total Small Business Set-Aside Contract)
- Rolling Admissions
- Increased participation by Small Business
- Increased emphasis on Fixed Price Task Orders
- EVMS incorporated at the contract level*
- Higher emphasis on Performance Based Acquisitions

TIPSS-4 Availability

- The TIPSS-4 contract is a Multiple Award Contract. It provides sources of information processing support services for the Department of the Treasury, IRS, Treasury Bureaus, and other federal agencies. The IRS will be the primary user of the contracts to provide the full range of information processing support services for project and program level support. If another federal agency wishes to use TIPSS-4, assistance will be provided to assist the other agency.

Evaluation Criteria – TIPSS-4 SB

Factor 1 – Technical Capability

Sub-factor 1 – Past Experience (Project Profiles)
